hours** for group
counseling sessions

2770+ hours
from Thrift Store
volunteers

We connect Portland-area neighbors with food, counseling, connection, and household items for a stronger community. Our vision is that everyone in our community is fully nourished.

Because of the ability to access services I am growing and thriving as a human.

*I am joyfully single and I live with the best cat ever. I can say in truth that **the services at William Temple House have saved my life.** I am grateful. —SOCIAL SERVICES CLIENT*

I am really enjoying volunteering in the Food Pantry. It makes me feel so good to know I can contribute in some small way!

—FOOD PANTRY VOLUNTEER

*I think you're doing a great job to begin with. **The food and the way people treat you with compassion and empathy ... the atmosphere is conducive to mental health.*** —FOOD PANTRY CLIENT

The WTH Professional Training Program is known in the therapeutic community as one of the best, and being chosen to participate is a privilege and honor. My cohort and I agree there is a part of our hearts that remains within the walls of that amazing little building. —COUNSELING PROGRAM INTERN

When family and friends are in need of donating items

I frequently refer them to the William Temple House Thrift Store. The organization provides such great services to the community.

Together, we helped 27,393 area neighbors with food, counseling, and connection.

We are grateful for the hundreds of people, partners, and organizations who gave time, skills, goods, and financial resources to support our work. Thanks to your generous support, we're able to continue to serve our community's complex needs.

Please consider engaging with us further to help us support the whole person—body, mind, and spirit. Connect with us here to learn more about contributing to our community:
